Who we are. Why your support matters.

Dear Supporters,

Since 2009, Our Daily Rest has been a place of safety and hope for people facing homelessness. We are a 501(c)(3) nonprofit in Seneca, serving individuals and families in Oconee County and surrounding Upstate communities. We believe everyone deserves to be treated with dignity and to have a place where they can begin again.

Our four-month shelter program offers more than a bed. We provide warm meals, clothing, hygiene supplies, and a safe place to rest while residents work toward stability. Through case management, housing navigation, and connections to community resources, we help people address immediate needs and make a practical plan for a home of their own.

Our work also reaches beyond the shelter. Neighbors who come to our door can receive clothing, hygiene kits, housing assistance, and help completing Rosa Clark applications. As a coordinated entry access point, we help connect people with housing programs and other support throughout the Upstate.

Homelessness often comes with health concerns, mental illness, trauma, and the strain of having nowhere safe to turn. We listen, offer encouragement, and connect people with resources that can help. Every person who walks through our door has a story, and we want them to know they do not have to face their next chapter alone.

State funding and the generosity of donors, churches, businesses, and volunteers help keep this work going. By sponsoring our A Night of Hope Gala on December 14, 2026, you help provide the everyday essentials and personal support our neighbors need to rebuild their lives. We invite you to choose a sponsorship level and join us in helping more people find a path home.

Thank you for making room for hope in our community.
